

Who we are:

ABC

International Cleaning Service, Inc.

We are a family owned and operated business that has been in business for over 30 years. We originated in Montreal, Canada in 1973 with over 200 employees and expanded to South Florida in 1997. We have continued to use state - of - the - art cleaning systems that originally made us famous.

At ABC International Cleaning Service Inc., our major concern is the upkeep of the institutional and residential properties that we service, by giving them the cleanest facility possible at the most competitive rates. Because of this we have earned reputation of exceptional janitorial services in South Florida. We assure you that we will respond quickly to every situation as it arises. Our professional staff is on call 24 hours a day, seven days a week to handle any emergencies and / or issues that may arise at your facility.

ABC International Cleaning Service Inc., has reached the highest standards of quality through the management personnel it hires and seek to grow by continually searching for the best qualified people. We carefully recruit our staff for trustworthiness, reliability and attention to detail. It is through effective communication and immediate response to your requests that we ensure meeting all your building service needs.

ABC International Cleaning Service Inc., is a fully insured company with one of the strongest insurance protection plans available in the cleaning industry, including proof of general ability, bonding and workers compensation. However, we still believe in safety and have one - going safety programs designed to prevent accidents and protect your property.

OUR MISSION
